Marisol, could the Bid's clean street team use San Fernando Rd to dump? How would we set that up?

Thanks,

Thank you for the reply on this, Dan. CleanStreet is currently using a dumping yard in Gardena (approx. 20 miles from Hollywood) where they pay to dump by the ton. It would be greatly beneficial if the maintenance team could use a dumping yard in Lincoln heights! Please let me know if there is anything I can do to help.

Hi Matthew,

We can follow up on the possibility of the Clean Street team dumping bulky items in the City yard, but it would likely have to be the yard in Lincoln Heights, so thus a bit of a trek. Would that work for the team?

When they pick up bulkies now, where have they been dumping?

Thanks,

Hi Dan,

As you know, our maintenance provider picks up bulky items from the streets and alleys when reported by stakeholders. Otherwise, these items would remain abandoned until the City responds, which can take over a week (if at all). A few months back at one of our First Friday meetings we spoke about the possibility of CleanStreet being able to use one of the City's dumping yards to cut down on our costs.

Is this something we can look into?

Hi Matt,

Have you had any luck with the City in securing a yard where we can take bulky items to? Let me know.

Thanks,

Hi Art -

Thank you for all your recent help with all the bulky item pickups and the Loma Vista issue.

We wanted to ask if it was okay to have the Hollywood BID drop off bulky's at one of the sanitation yards.

In an effort to help maintain the Hollywood area free of bulkys, the BID hired help in order to be able to have residents call bulkys in. As you know our district is flooded with bulkys and any help we can take to keep them off the street before they land in encampments is an urgency at this point.

I've spoken to Enrique about groups who have taken the initiative to be proactive and collect bulky's and dump at the yard he has always been okay with it. We currently have LACC, our youth clean team drop off debris and bulkys, as well as another non-profit, Immigrants Charitable Foundation at North Central.

Please let me know if it's okay to have the BID drop off and if so which location.

Thanks!
